Telehealth Attestation

• Notification to complete Telehealth Attestation coming out in the next Newsletter – 3/17/21

• Due to the ongoing Public Health Emergency (PHE) providers can continue to provide Telehealth services though the end of the PHE.

• For those continuing to provide Telehealth services, post PHE, we are requesting you complete the Telehealth Attestation
Telehealth Attestation

• Where can the attestation be found
  o The attestation can be found on your RAE website at the following links:
    — RAE 4 - https://www.healthcoloradorae.com/providers/forms-templates/
    — RAE 2 - https://www.northeasthealthpartners.org/providers/forms-templates/

• Why are we asking for this to be completed now
  o Ensure accurate Provider Directory for members and others to reference
  o After the PHE has ended, allows for continuation of Telehealth Services w/out any additional steps
Telehealth Attestation

3. The provider must hold an independent license in the state in which he/she is performing the service.
4. All providers must be assessed and approved through Beacon’s credentialing and re-credentialing process.
5. A review of telehealth services should be integrated into the provider’s quality management process.
6. All providers must adhere to Beacon’s prescription and medical record requirements as detailed within the telehealth program specifications.

Certification:
I certify that all information provided by me is current, true, correct, accurate and complete to the best of my knowledge and belief, and is furnished in good faith. I acknowledge that I have read and understand the foregoing Attestation, and will abide by all the Telehealth requirements.

I understand and agree that a facsimile or photocopy of this Attestation shall be as effective as the original.
