Become a CARE Network Provider

The Problem

Every year in CO, thousands of children are impacted by maltreatment.

The Solution

A designated network of providers as part of the standardized and coordinated medical and behavioral health response to suspected cases of child maltreatment.

CHILD ABUSE RESPONSE AND EVALUATION

The Kempe Center CHILD ABUSE RESPONSE & EVALUATION

A new state-funded initiative to train and support healthcare practitioners in the medica evaluation and behavioral health screening of children referred for maltreatment

THE PROBLEM

Every year in Colorado, thousands of children are impacted by maltreatment. Expertise to conduct medical evaluations and behavioral health screenings and assessments in suspected cases of child maltreatment is extremely limited.

THE SOLUTION

A designated network of providers as part of standardized and coordinated medical and behavioral health response to suspected cases of child maltreatment.

HOW CAN YOU BE PART OF THE SOLUTION?

Become a CARE Network Provider! See below for provider details, requirements, and benefits.

ELIGIBLE BEHAVIORAL HEALTH PROVIDERS

- Licensed Psychologists (Psy.D, Ph.D)
- Licensed Behavioral Health Providers (LPC, LMFT, LCSW, APN)

TRAINING REQUIREMENTS

- Complete two-day, virtual, New Provider Training.
- Complete web-based Mandatory Reporter Training.
- Complete a minimum of 6 hours of continuing education per calendar year through designated web-based CARE NETWORK ECHO sessions.
- Attend the 1-day, virtual CARE Network provider annual meeting.

FOR MORE INFORMATION AND TO APPLY www.kempeCAREnetwork.org QUESTIONS? EMAIL CAREnetwork@UCdenver.edu

ASSESSMENTS AND SCREENINGS

CARE Network providers assess and screen patients who meet the following criteria

- Age 5 and under with suspected physical abuse or neglect
- Age 12 and under with suspected sexual abuse

BENEFITS OF JOINING NETWORK

- Access to child abuse and neglect medical and behavioral health experts through ongoing training and mentorship, including individual case feedback, peer supervision, and ongoing support.
- Free continuing education credits for participation in ongoing training.
- Reimbursement per evaluation
 \$600 per assessment

*Reimbursement covers non-clinical activities that are typically not billable through insurance and is subject to change based on available funding.
